

## Ultra Convenient Collaboration

Thanks to the PushShare Nest, meeting room collaboration has never been easier. By ensuring your PushShare dongles are right there when you need them, wireless mirroring and file sharing is a totally effortless experience. Simply grab your dongle from the holder then connect, push and share!

## Clutter-Free Meeting Space

With this handy desk tidy, you can keep meeting room spaces looking professional by neatly storing everything you need in one place. Organise conference tables and reduce messy clutter to make the right impression on clients and visitors.

## Seamless Meetings

Pausing meetings mid-flow to search for misplaced devices is a thing of the past. Keep meetings running smoothly and avoid unnecessary interruptions by storing up to six PushShare dongles in the purpose-built holder. To maximise use of space, the PushShare Nest can also be used to store a variety of other dongles and remote controls.

## Universal Suitability

The PushShare Nest is suitable for any meeting room, regardless of style or decor. With a minimalistic design, neutral colour palette and high quality finish, this versatile solution will fit seamlessly into any corporate space.

	Gross Weight (g)	930
	PushShare Dongle Capacity	6

## Why Choose Our Commercial Display Solutions?

### Lifetime Technical Support

From the moment you receive your product, throughout the duration of your warranty and even after your warranty has expired we are here to support you. If you require any assistance setting up or using your product, or have any problems at all, we can provide free technical support via telephone and email.

### On-site Support and Maintenance\*

If needed, we can provide an installation service for any of our products. We can also set up service-level agreements for larger projects that require maintenance contracts.

### Extended Warranty\*

All of our commercial display products come with a 3 year commercial warranty as standard but if you want to extend this you can upgrade this to cover a 5 year period at point of purchase.

### Training

As well as providing free remote CMS training sessions and webinars we can also visit you to deliver bespoke training for our software and hardware\*.

### Advanced Replacements†

Should your display suffer from any kind of hardware failure during the warranty period we will send you an advanced replacement and arrange for your old display to be collected, free of charge. This ensures no downtime where you are without a screen.

### Custom Product Testing & Configuration

If you need us to test third party software or a website, or configure your screen in a particular way before it is dispatched (e.g. in a particular orientation or network mode), we can do so to make your life easier.

### 3D Rendering

Want to know how a particular screen will look once installed? Send us a photo of the location and we will create a 3D rendering of any screen in situ to help you to visualise how amazing it will look.

### Logistics Support

We hold more stock in our UK warehouse than any other manufacturer so we can help you meet tight deadlines. For last minute orders we can also offer special express or morning delivery options\*. We also carry out UK based quality control checks on every display before it leaves our warehouse.

### Project Support

If you need to loan a sample unit to test we'd be more than happy to arrange this. We can also provide a rental service for temporary projects\*.

### Customisation\*

Your display can be customised to suit your requirements by adding your logo or printed graphics or even tailoring the colour of a display. We can also carry out hardware modifications to existing products or manufacture bespoke solutions for special projects.

### Extras\*

As well as being able to provide accessories and add-ons, such as extra remote controls, NUC PCs and video wall controllers, we can also supply custom made flight cases which are great if a display needs to be moved safely from place to place.
