

DVI-I Dual Link Digital/Analogue Video Cable

- Supports resolutions up to 2048x1536
- Utilizes High Speed digital video transmission up to 9.9Gbps
- Tri-shielded undermold with dual foil shield and braid shield

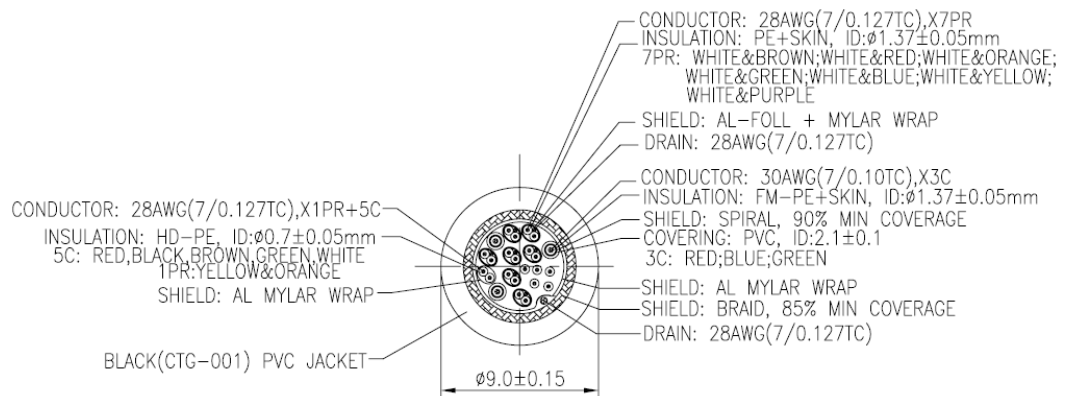

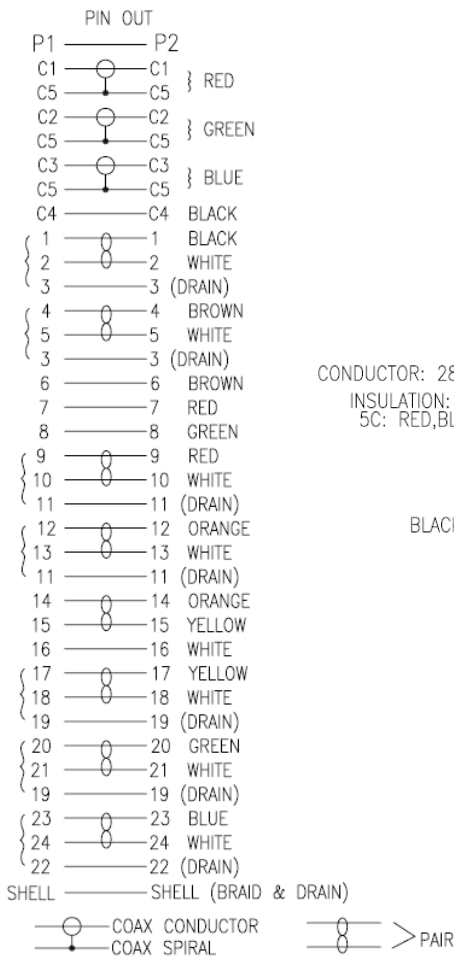

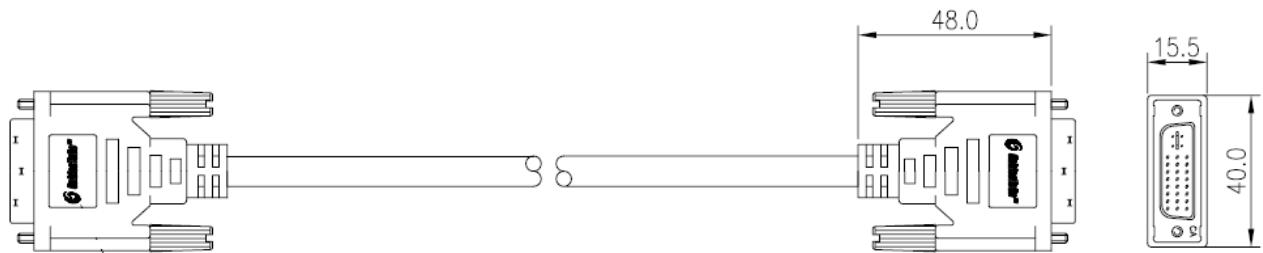

Specifications: DVI-I Dual Link Digital/Analogue Video Cable

Cable Characteristics:

Diameter	9mm
Shielding	Tri-shielded w/ dual foil and braid
Conductors	28AWG copper
Contacts	Gold plated

Cable Specifications

Connector:	DVI-I 28 Pin
Resolution (max supported)	2048 x 1536
Data Speeds	9.9Gbps
PC-99 Colour coded:	White
Approvals:	RoHS Compliant
Warranty:	Lifetime
Package Type:	Polybag

Specifications: DVI-I Dual Link Digital/Analogue Video Cable

Part Number	Description	Weight (kgs)
81178	1m DVI-I M/M Dual Link Digital/Analogue Video Cable	.203
81179	2m DVI-I M/M Dual Link Digital/Analogue Video Cable	.320
81180	3m DVI-I M/M Dual Link Digital/Analogue Video Cable	.435
81181	5m DVI-I M/M Dual Link Digital/Analogue Video Cable	.671
81184	2m DVI-I M/F Dual Link Digital/Analogue Video Cable	.309
81185	3m DVI-I M/F Dual Link Digital/Analogue Video Cable	.430
